Visit to Jack Daniels Porsche

On April 7th, a contingent of HVR members ventured to **Jack Daniels Porsche** in Upper Saddle River, New Jersey. A tasty brunch was provided and we were warmly welcomed to the stylish and modern facility by general manager, Evan Gemma and his staff.

We encourage all HVR members to visit the dealership and experience the benefits of purchasing or servicing their Porsche at Jack Daniels Porsche.

You can contact Evan Gemma at egemma@jackdanielsmotors.com.

Don't forget: Cars and Coffee!

Get together with HVR pals for caffeine and chat about our Porsches.

Advanced Driver Education and Novice Track Tour at Lime Rock Park

On April 10th, a hearty bunch of HVR members braved the frosty early Spring weather for the opportunity to drive their Porsches on track at historic Lime Rock Park! In addition to the experienced advanced run group drivers, eighteen novice drivers had the opportunity to experience laps on the track as well as learn the fundamentals of high performance driving in a classroom format led by HVR Chief Instructor, Ricardo (Rico) Diaz.

Member Erik Weathers commented in our Facebook Group that..."I got the bug-love the track-now shopping for a helmet"!

Thanks to all of the advanced drivers who volunteered to assist the novices in having an informative, fun, and safe experience.

Spring Breakout at Advanced Automotive of New Windsor rescheduled for Sunday, June 10th.

What's better than bringing your Porsche to a Porsche specialty shop, not for repairs, but to hang out on a Saturday afternoon with Porsche Club members and talk about Porsches? How about adding the Essen Express Food Truck specializing in German food, a car detailing clinic, and a Tech inspection Demo? Sounds like a great day! Lunch for PCA/HVR members is on the club. Water and soft drinks are included but you are welcome to bring your preferred beverage.

Please RSVP to our hosts, Tom and Giani Florio, for the new date even if you previously signed up for the event.
